FALL 1952
WHOLESALE SURPLUS AND PRICE
LIST TO NURSERYMEN ONLY

One Year Sweet Cherry Photographed August 15, 1952

Our sales on fruit trees for this fall delivery have been extra good so far but we still have the stock listed in this list in surplus. In spite of the drouth this summer and our extreme hot weather, we are going to have some nice fruit trees for delivery this fall. The pictures of our one year Cherry on this list are actual photographs taken August 15th and they are still making a considerable growth and caliper. We wish to thank our many customers for keeping us in business the past thirty-two years and solicit your future orders on the same quality of stock and service that we have furnished in the past.
